

TINY TOT Halloween

Downtown Fort Collins

Friday, October 31, 2011

Starting at 10:00 am

Halloween is right around the corner and Fort Collins' cutest little ghosts, ghouls, and goblins will descend on Downtown for **Tiny Tot Halloween**. We invite all children under seven and their parents/guardians to join us for a safe trick-or-treating experience in Downtown Fort Collins.

All the littlest trick-or-treaters will '*creep*' in costume throughout Downtown on **Monday, October 31st**. Participants should gather in **Old Town Square** beforehand to receive a goodie bag with a map indicating the designated trick-or-treating area. As the clock strikes 10 am, the multitude of little monsters will be unleashed to '*terrorize*' Downtown. The event will occur along the sidewalks and crossing guards will be present at major intersections to ensure everyone's safety throughout the morning.

After '*scaring*' the candy out of merchants on College and Mountain Avenues, Walnut and Linden Streets, and Old Town Square, the festivities continue with the **Monster Mash** party at the **Sunset Event Center** (242 Linden Street). Join us for cookies, hot cocoa, music, and dancing after trick-or-treating.

Tiny Tot Halloween is a **FREE community event** produced by the Downtown Business Association. A special thanks goes out our sponsors: Coca-Cola, Dellenbach Subaru, University of Phoenix - Fort Collins Learning Center, Clear Channel of Northern Colorado, Sunset Event Center, and the City of Fort Collins Parking Services. Without their generous support, we could not put on this fun, family-friendly event. We hope you come out and join us for this spook-tacular Halloween tradition!

Sincerely,

JoAnn Caddoo
